

I GREW UP ON GOSPEL

Joey and Jeanie

I grew up on Gospel, such great ole songs we sang.
I gave my life to Jesus and I've never been the same.
Left behind my brokenness, all in Jesus name.
The Engineer is calling get aboard the Gospel train.

I grew up on Gospel, on the Gospel train.
Singin' Hallelujah and Bless his Holy Name.
Lift your voices clap your hands,
Hallelujah and Amen.
I grew up on Gospel, get aboard this Gospel train.

Jesus Loves Me this I know.
For the Bible tells me so.
Amazing Grace came fallin' down.
I was lost now I am found.
Get on this Gospel, Get on this Gospel train.

CHORUS: I grew up on Gospel, on the Gospel train.
Singin' Hallelujah and Bless his Holy Name.
Lift your voices clap your hand.
Hallelujah and Amen.
I grew up on Gospel, get aboard this Gospel train.

Jesus hung on a **Rugged Cross**.
He paid it all he paid the cost.
And **I'll Fly Away** old glory, I'll fly away.
Hallelujah by and by, jump aboard and take a ride.
On this Gospel train.

This Gospel train...this Gospel train...Get on aboard
The Engineer is waitin'... Come-on –a board.
