

You've Got the Love - joe e. daddario

G **C** **G** **C**
Looks like I'm finally trusting someone,
G **C** **G** **C**
Who loves me even when I don't (love myself).
Am **Em**
I've been watching as the years go by,
C **D**
I thought we'd break ties but somehow we won't.

CHORUS: **G** **C** **G** **C**
You've got the love that I'm depending on.
G **C** **G** **C**
And I'm amazed that a love can last so long.

You looked right through my false bravado **G, C, G, C**
And saw the hurt kid in my eyes. **G, C, G, C**
I can't imagine why you stuck around, **Am, Em**
Knowing how I fight this painful pride. **C, D**

CHORUS

BRIDGE:

F **C** **G** **F**
I never thought somebody could love me, Knowing what I'm like inside.
F **C**
I feel the comfort of angels above me,
D **G** **G7**
Now that nothing's left, there's nothing left to hide.

CHORUS - (NEW KEY): C, F, C, F; C, F, C, F

C **F** **C** **F**
You put the moves on me my whole life.
C **F** **C** **F**
But I was blind then calling the shots.
Dm **Am** **F** **G**
Now the pieces seem to be in place, And I'm starting to connect the dots.
