

I WAIT IN THE WIND - Joey Daddario, © 2008

Am G F (G) Am G F (G)
It's so much like me, to keep thinking of you, I win and I lose you again.
Am G F (G) Am G F (G)
I can't remember, if you ever said 'I love you', But sometimes I hear it in the wind.

Am G F Dm
I watch as the love I've saved is wasting away.
(G) Am G F (G)
I wait for the winds to change and bring you back.

CHORUS: Am (G, F, G)
I Wait in the Wind. **(2X)** (I'm Waiting)

Am G F (G) Am G F (G)
I could have loved you, I'm not sure I didn't, But you hardly had the time.
Am G F (G) Am G F (G)
I couldn't see those, signs in the beginning. That you lead a reckless life.

Am G F Dm
I watch as the years roll by and I'm still trying,
(G) Am G F (G)
To prove that I meant something in your life.

CHORUS (Break)

Am G F (G) Am G F (G)
I don't want to let go, of you absolutely. I fear what I'll have to face.
Am G F (G) Am G F (G)
My character defects, were hidden by your beauty, And I won't go back to that place.

Am G F Dm
I watch as the tears roll down without a sound.
(G) Am G F (G)
I stare at the empty space in front of me.
