

RED LETTER DAY

Joey Daddario, © 2008 songman.com

There's nothing I can add
To this beautiful day.
Got no destination.

(play muted)

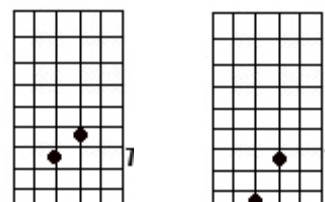

Barefoot and free,
Blessings blowing my way,
I'm the crown of creation.

Bm C#m7 Bm C#m7 E

Come take my hand, We'll walk this land together.

CHORUS:

(We'll go) Day-walking
With no need for talking
Knowing it's a Red Letter Day.

(play open)

(I'm just) Free-walking
Got no need for talking
Soaking in a Red Letter Day. (**Bm, C#m7, D, E**)

There's nothing I can add
To this wonderful day.
Why mess with perfection?

Let the linen of love
Clothe you from above.
Can you feel the connection?

Bm C#m7 Bm C#m7 E

Come hold my hand, We'll take this land together.
