

EVEN THEN

by Crowns Of Creation, Ps 102:2 ©2018

F **G** **F** **G**
We play a pitiful role, seating our thrones, above Yours alone.
F **G** **F**
Every time our will fails, God You forgive us
G
And Your love prevails. (You say)...

CHORUS: C **F** **Dm** **G**
EVEN THEN I'll never withdraw my loyal love and faithfulness.
C **F** **Dm** **G** F Em Dm
EVEN THEN I'll never betray the lasting words of my covenant.

F **G** **F** **G**
We shake our fists in Your face, demanding solutions without delay.
F **G** **F**
We tell You how, when, and where, to answer our prayer
G
Yet Your love remains. (You say)...

CHORUS

BRIDGE: (You tell us)

F **C** **G** **C** **F**
What has crossed my lips, is holy and true.
F **C** **G** **C** **F**
When you've lost your grip, I'm still holding you.
F **C** **G** **E7** **Am** **Am/G** **D/F#**
My reach exceeds your doubt, and I'm not through.
F **Em** **F** **G**
For when-ever you disap-pear, I'll be hiding with you.
